- Surveillance apparatus
- Broadcast Transmitters

Compliance

CE!

Enforcement Strategy

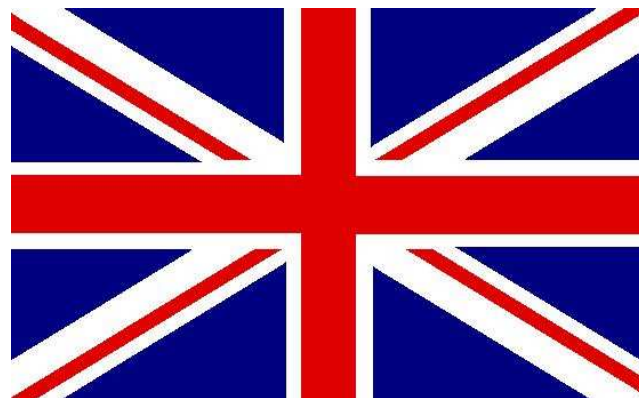

Enforcement Strategy

- Stakeholder complaints
- UK Market Surveillance
- Cross Border Market Surveillance

Enforcement Strategy

Enforcement Strategy

- Non-compliant imports (Far East)
- 'Grey imports'
- Inappropriate recycling (old PMR)

administrative requirements. This is a clear improvement even if it should be noted that in average every second PMR did not meet the administrative requirements.

The overall level of technical compliance for PMR and 2.4 GHz products is 62%. Overall 93 products failed in one or more of measured aspects. T

Market Surveillance

- 3rd Cross border market surveillance campaign
- 259 products surveyed 128 PMR
- About 60% technically / administratively compliant
- Improvements over previous campaign

administrative requirements. This is a clear improvement even if it should be noted that in average every second PMR did not meet the administrative requirements.

The overall level of technical compliance for PMR and 2.4 GHz products is 62%. Overall 93 products failed in one or more of measured aspects. T

Next Steps

- New R&TTE Directive
- Product Registration Scheme?
- New Legislative Framework
- Improved cooperation Member States
